

Patient Instructions for Downloading PT Notes

To access records from a desktop device:

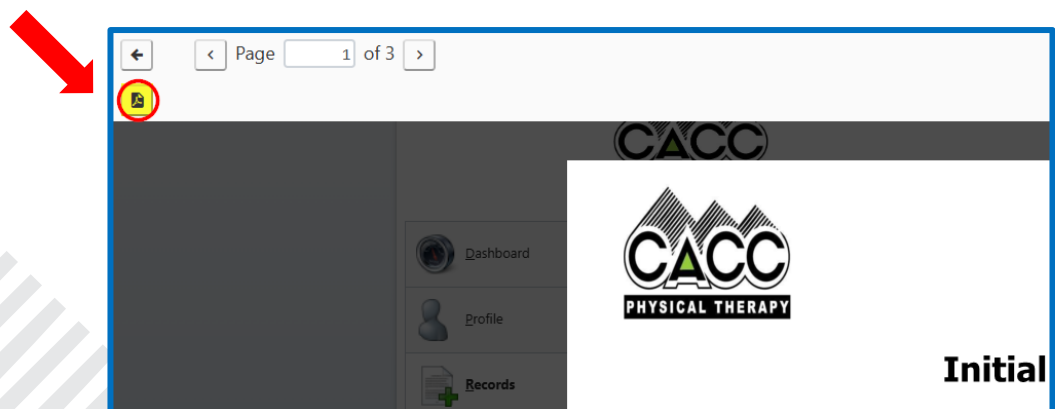

1. You should receive an email from your local CACC Physical Therapy office, ex. Aurora@cacc-pt.com with a temporary password

2. Click on Records from Dashboard

3. Click on Visit Summaries to access PDFs of notes

** Please note Health Records section is for sending electronic health records to medical providers using Consolidated Clinical Document Architecture (CCDA)**

4. Note will open in a pop up. Click on Adobe symbol at the top left to download

Patient Instructions for Downloading PT Notes

To access records from a mobile device:
